1950

PUBLISHED BY THE BETA CLUB  
of  
RIPLEY HIGH SCHOOL  
EDITOR, PEGGY CRAIG  
BUSINESS MANAGER, SHIRLEY TURNER

Here I am kicking a dummy  
which is Halls. This was our  
last game and we had a parade  
and pep meeting, and then drove  
all over town yelling. We work  
hard on decorating the field.

## *Dedication*

*To one whose personal interest and efforts have made The Riplian possible,*

*Who has encouraged us to scholastic achievement, good character, and leadership by sponsoring the Beta Club,*

*Who is a person of impeccable character and strong personality,*

*Who has been an inspiration and a guide as a teacher,*

*Who has made a friend of all who know her and have worked with her,*

*Who has taken an active interest in all school activities,*

*We dedicate the 1950 Riplian to our sponsor, Mrs. Irvin Knee.*

## THE FLAG

Donated by the Beta Club, 1950

## *In Memory*

Dan Lucas, who did much to further good sportsmanship at Ripley High School.

This is the great football banquet which we didn't get to attend.  
No girls were allowed not even the cheerleaders or the football queen.  
But I did get invited by George Brown to find out later that they  
weren't going to have or invite girls.

Had a pretty good old time this year. We had a lot of parades and bon-fires. After which we all would go down to "joes" and have a big time. Our football team was a good as it should have been. I don't think the boys kept in shape very well. Our girls basketball team was better than usual - but that wasn't too good. Our boys didn't do as well as they usually do. We did fairly well in track. Our baseball team is doing O.K. I guess but we lose more than we win. This year has been pretty easy - I sure haven't studied and have made better grades this year.
